THIS DOCUMENT RELATES TO:

Case No.: 3:21-cv- 03825-AMO-LB

**[PROPOSED] ORDER RE: CLASS  
CERTIFICATION OMNIBUS SEALING  
MOTION**

Judge: The Honorable Araceli Martínez-Olguín

1 This Court, having considered the Parties' Omnibus Motion to Seal Materials from the Class  
 2 Certification briefings, including the declarations submitted in support of the motion and all arguments  
 3 by counsel, rules as follows:

4 The Court finds that compelling reasons exist to support the filing under seal of the documents or  
 5 portions thereof listed as "granted" in the following chart and grants the requesting party's motion to  
 6 seal these documents or portions thereof where they appear on the public docket. The Court denies the  
 7 request to seal any documents or portions thereof either (1) listed as "denied" in the following chart or  
 8 (2) filed under provisionally seal pursuant to Local Rule 79-5(f) because a Party or Third-Party  
 9 designated the document or information as confidential or highly confidential under the protective order  
 10 but which no Party or Third-Party sought to maintain under seal by filing a statement or declaration  
 11 pursuant to Local Rule 79-5(f).
